OBJECTIVES:

Seeking an opportunity in which I am able to further my graphic design and web development skills by creating websites tailored to a client's needs.

EDUCATION:

Southwest Career and Technical Academy

Web Design Program

Unweighted GPA: 3.96, Weighted GPA: 4.76

Special Classes: Graphic Design I II and III, Web Design and Development I II and III, AP Computer Science A

WORK EXPERIENCE:

Personal Tutor

Jun. 2014 - Present

Teaches child fundamental skills in math, writing, and reading by following lesson plans provided by his school to complete homework and creating activities to reinforce the skills taught.

Project Manager for 2015 Hour of Code at Mark Fine ES

Nov. - Dec. 2015

Developed an one-hour computer science course targeted towards elementary school students K-5. Also facilitated the event on Dec. 9, 2015. It included 90 trainers from SWCTA and roughly 700 students from Mark Fine ES.

Program Assistant for Clark County IT Department

Jul. 2016 - Jun. 2017

Works on renovating several web applications on the Clark County website by making them responsive and up to the current standards of accessibility across the web.
