## OBJECTIVES:

Seeking an opportunity in which I am able to further my graphic design and web development skills by creating websites tailored to a client's needs.

## EDUCATION:

### Southwest Career and Technical Academy

Web Design Program

Unweighted GPA: 3.96, Weighted GPA: 4.58

Special Classes: Graphic Design I II and III, Web Design and Development I II and III

## WORK EXPERIENCE:

### Personal Tutor

*Jun. 2014 - Present*

Teaches child fundamental skills in math, writing, and reading by following lesson plans provided by his school to complete homework and creating activities to reinforce the skills taught.

### Project Manager for 2015 Hour of Code at Mark Fine ES

*Nov. - Dec. 2015*

Developed an one-hour computer science course targeted towards elementary school students K-5. Also facilitated the event on Dec. 9, 2015. It included 90 trainers from SWCTA and roughly 700 students from Mark Fine ES.

### Program Assistant for Clark County IT Department

*Jul. 2016 - Present*

Working on renovating several web applications on the Clark County website by making them responsive and up to the current standards of accessibility across the web.

## TECHNICAL SKILLS

### Illustrator
